

**Dreamland**

*Aromatherapy Spray, organic:*

HB-A01

30 ml

EAN: 0705632426319

**Description**

Beneficial and calming pillow spray from the aromatherapy line – calms down the mind and provides for a relaxed and even sleep due to the carefully selected combination of natural essential oils:

- The warm fragrance of lavender alleviates stress and sleeplessness, acts balancing and calming, deepens the breath during sleep and reduces fatigue upon wake up
- Neroli oil (from bitter orange) acts via its tender flower fragrance relaxing and exhilarating against sleeplessness, trauma and anxiety and, in parallel, supports cell regeneration
- The fruity sweet and fresh fragrance of bourbon vanilla displays a lot of therapeutic properties in case of stress, depression and physical as well as mental pressure
- The natural extract of essential oils from honeycomb enables inner harmony and balance in case of anxious mind via its warm, embracing fragrance
- 100% natural, organic certified natural products, free of preservatives
- In a dark glass flask with handy spray top for an optimal light protection and long-term effectiveness

**Application**

**Shake the flask before use!** Before going to bed apply 3 splashes of **Dreamland** onto your pillow or breast and enjoy the upcoming inner harmony with deep breaths.

Note: Wait about 5 minutes after spraying before going to bed to allow evaporation of the alcohol so that only the calming fragrance remains on your pillow. This is especially important when using the spray for children.

**INCI**

Aqua, alcohol (organic), organic essential oils from Lavandula angustifolia, Citrus aurantium, Vanilla planifolia, Apis mellifera

**Precautions**

Keep in a dry and cool place (5-25°C). For external use only. Not suitable for consumption. Keep out of the reach of children.

48 hours before use apply a spray onto the skin of your forearm inner surface and do not proceed with product application if skin irritations occur.

Stability:

*Apply date of use on the provided sticker and paste it onto the bottom of the flask*
